

**AQ ANGLER
QWEST** / 2023
PONTOONS

BUILT WITH PURPOSE

WELCOME

Your family and the die hard anglers in it no longer need to settle for a rig that is “almost” what each person wants. Loved ones can enjoy passive leisure cruising with refreshments and still have a vessel that can troll competitively with elite tournament fishing boats. No one knows exactly what weather may turn up when fishing or cruising with the family, so peace of mind is ever present if four footers roll in, thanks to Angler Qwest’s unrivaled durability and construction. Thanks to Angler Qwest, there is no reason to fake it, or settle, ever again.

CONTENTS

TROLL SERIES

The Troll Series allows anglers to present their lures to more fish in fewer trolling passes- saving you time, and even a little gas, before catching your limit.

P. 2-3

FISH N CRUISE SERIES

Whether you're targeting bass, walleye, panfish or cats, Angler Qwest has your back. There's plenty of room for everyone and your gear.

P. 4-5

FAMILY FISH SERIES

The Family Fish Series pampers passengers with furniture you might expect to find in a family room, not a family pontoon.

P. 6-7

ALL SPORT SERIES

The All Sport, is built all for one, and one for all, who like being on the water.

P. 8-9

CATFISH SERIES

The Catfish Series was built to get after them with Gen II Triple Tubes for added performance and stability while still having the option of fishing in shallow water.

P. 10-11

STRIPER SERIES

The Pro Striper was built for Striper alumni, but our boat dealer partners are reporting that crappie anglers are calling their Striper rig, a "Sexy Crappie Cruiser."

PRO TROLL

TROLL SERIES

On land, a wider mowing deck on your tractor means more grass cut in less time. On the water, the wide-open stern on the Troll Series allows anglers to present their lures to more fish in fewer trolling passes- saving you time, and even a little gas, before catching your limit. The open stern also accommodates more family and friends because the rods are in the back while your guests have plenty of fun-time in the bow. It's perfect for large groups of anglers or those who just want to cruise, without crowding each other.

PRO FISH N' CRUISE

FISH N CRUISE SERIES

When you hit the lake why not fish for what's biting now, not what you heard was biting last week? The diversity of the Fish N Cruise helps anglers accomplish that in spades. Whether you're targeting bass, walleye, panfish or cats, Angler Qwest has your back. There's plenty of room for everyone and your gear, so you can have everything from vertical jigging rods to panfish options- armed and ready. Either stay out of the sun under the Bimini top or get out on the casting deck in a custom fishing seat. Need even more fishing-friendly options? Go with the Pro Model, which comes with standard T-top for 360 degrees of fishability.

PRO FAMILY FISH RA

FAMILY FISH SERIES

Finding time between baseball games and work is tough, so if the plan is to get the entire family out on the water for some fishing- you'd better make darn certain that comfort is just as important as the lure they're tying on. The Family Fish Series pampers passengers with furniture you might expect to find in a family room, not a family pontoon. Angler Qwest wanted anglers to enjoy their time in style because not only does it mean less convincing when some free time presents itself, but it also means the family will be more willing to stay out longer.

Deluxe Package Option

ALL SPORT

ALL SPORT SERIES

Every skipper likes to make sure his or her crew is happy and comfortable in the front of the boat, the back of the boat, or sharing the center console. Furniture groupings in the front and back provide the ability to spread out if Aunt Karen comes for a ride or if the anglers want to hang out in the back while the merlot drinkers take the bow. The All Sport offers the perfect balance if anglers want to put some fish in the boat in the morning or evening and the skiers want to cool off midday. The All Sport, is built all for one, and one for all, who like being on the water.

Deluxe Package Option

PRO CATFISH

CATFISH SERIES

Catfishing is becoming mega-popular in part because they can be found in most lakes and rivers across the country. More interest leads to more demand from anglers for species-specific boats designed to chase them. The Catfish Series was built to get after them with Gen II Triple Tubes for added performance and stability while still having the option of fishing in shallow water. A below deck, bathtub-like, 65-gallon recirculating live well is out of the way and perfectly balanced. This catfish base camp has Fast-Trak built into the rails and provides the ultimate in strategy for an array of catfish rods and applications.

- High Pressure Washdown (Front)
- Deluxe Package Option**

PRO STRIPER

STRIPER SERIES

The Pro Striper was built for Striper alumni, but our boat dealer partners are reporting that crappie anglers are calling their Striper rig, a “Sexy Crappie Cruiser.” The front deck is spacious for throwing a net for baitfish. There’s plenty of thoughtful real estate in the back for fanning out slip bobbers for slabs, jigging live bait or presenting spider rigs. A baitwell at the helm means there is no need to backtrack to grab bait and the space for a super-filtered 50-gallon baitwell in the back is cavernous. Two high pressure sprayers make quick work of any nasty stuff.

Fast-Trak System

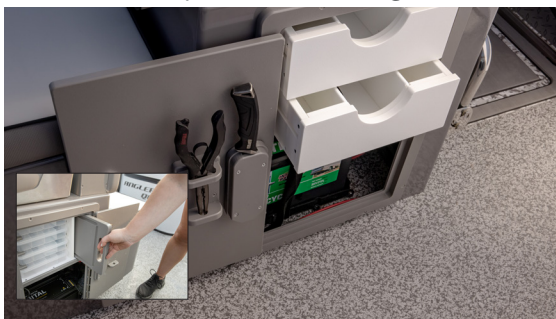

Partial Fast-Trak System

Radar Arch

Captain Seat Storage

FAST-TRAK

A smart system making it easy to mount rod holders, and other accessories. The Fast-Trak makes it easy to place your accessories exactly where you need them.

RADAR ARCH

Constructed with heavy duty aluminum to keep rods secure. Utilize the side rocket launchers to catch more fish while trolling creating the perfect spread. No more tripping on rods with the overhead rocket launchers. The RA also comes standard with high quality netting to keep life jackets dry and easily accessible.

60" Track System

BINARY REAR WALL SYSTEM

Designed with high-quality craftsmanship to hold tackle, planer boards, and more. Most models come with a track system on top of the binary wall which supports fishing accessories, grills, rod holders and other accessories. Customize your track over the binary wall to fit your needs.

5-Rod Storage

Binary Wall System

Tilt Out Tackle Storage

OUR PARTNERS

The choice is yours! Angler Qwest is proud to partner with the following companies: Suzuki, Mercury, Honda, Yamaha, Garmin, Humminbird, Lowrance, and Minn Kota.

QUALITY & ENGINEERING

Anyone can boast about the quality of their manufacturing, but Angler Qwest can prove it. We design and build our components in-house. We painstakingly monitor every step, from welding seams, to our prestigious fit and finish, to user-friendly fishing accessories. After all, this isn't just a pontoon, it's an Angler Qwest.

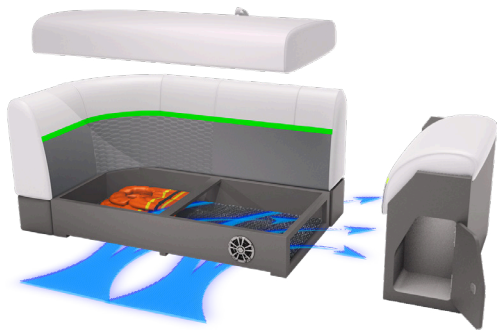

Color Match Accent Upholstery

Ultra-Flow Seat Ventilation

Dura-Lite Seat Bases

ULTRA-FLOW TECHNOLOGY

Angler Qwest Pontoon's Ultra-Flow seat ventilation promotes optimum air flow inside the seat bases to aid in drying stored items and to help prevent mold/mildew growth. Innovative seat bases constructed with our proprietary Dura-Lite composite material are stronger, lighter and provide storage space that is unrivaled.

APPAREL

From trucker's caps to UV shirts, shorts and more, Angler Qwest will keep you stocked up on your favorite logo gear. Quality gear is available year-round with styles changing regularly to stay current with trends. Visit AnglerQwestPontoons.com to find the perfect apparel for yourself and for the hard-to-shop-for angler in your life.

THE APEX FAMILY

Apex Marine Inc. Products are designed and assembled with pride in the USA.

With over 50 years of combined history and expertise at Apex Marine, we continue to innovate and give meaning to the words proudly American made. Angler Qwest Pontoons, a division of Apex Marine, is committed to manufacturing high-quality pontoon boats and is driven by a passion to build the best boat for our customers while exceeding market expectations. Our incredible modern-day designs are equipped with cutting edge technology and specifically designed to give you an unforgettable experience.

We are always pushing ourselves to produce the best fishing pontoons possible with class-leading fishing features and quality. Angler Qwest boats are aggressively rigged and designed with fishing in mind first. Family and friends can all appreciate that Angler Qwest boats are built with purpose.

WARRANTY: Apex Marine warrants all new Angler Qwest pontoon boats to be free from defects in material and workmanship. We provide a limited lifetime warranty on the pontoon hulls, cross channels, walls and risers for the lifetime of the original owner to be free from material or manufacturing defects. Components not manufactured by Apex are covered by their respective manufacturer. Visit www.AnglerQwestPontoons.com for more information.

Pontoon Tubes: Pontoon Hulls carry a limited lifetime warranty • Structure: Framing cross channels and risers carry a limited lifetime warranty • Decking: Our decks consist of treated multi-ply plywood panels that carry a limited lifetime warranty • Seat Frames: Wood and plastic components in upholstery seat frames carry a limited lifetime warranty • Seat Vinyl: Upholstery vinyl is warranted for 5 years • Deluxe Vinyl Flooring: 5 year limited warranty • Canvas: High Performance Marine Fabrics are warranted for 5 years • Components: All components not manufactured by Apex including but not limited to, Gas and Electric Outboards, radios, fish finders, speakers, and gauges are covered by their respective manufacturer. Under a program of continued improvement, Apex Marine Inc., Reserves the right to alter details and specifications without prior notice and will assume no obligations as a result of such changes. All warranties are subject to proper use and care. All warranties, expressed or implied, are void in cases of damage sustained in trailering, misuse, accidents, improper storage, improper maintenance or commercial use.
