

It's time to get comfortable.

Latitude™ Series Packaged Units

York® Latitude™ Series packaged heat pumps and air conditioning units deliver big capabilities to satisfy all your comfort requirements. That's the result of combining advanced technologies to deliver maximum performance with minimal amounts of energy. As a result, you get efficiency, quietness and dependability in a compact, state-of-the-art design that fits your every need.

LATITUDE™ SERIES
2-5 TONS

The York® Latitude™ unit is this season's best comfort solution.

Built to meet the needs of how people live and work today, the Latitude™ design combines durability and efficiency to deliver dependable performance year after year. You'll find Latitude™ units use advanced technology and product design to save space and energy. When you add up the performance, value and quality, nothing beats a York® Latitude™ unit.

Durable, efficient MicroChannel condenser coil.

The all-aluminum MicroChannel condenser coil provides outstanding efficiency and reliability thanks to its advanced heat transfer capabilities and durable construction. (MicroChannel coils only apply to air conditioning models.)

Easy installation and maintenance.

Often small pad space and big unit size and weight make installation a big burden. Latitude™ reduces those challenges with a compact design that's easier to work with than many commercial units of comparable capacity.

Reliability you can count on.

To ensure years of trouble-free operation, York builds strength and durability into our outdoor units. Look at the cabinet, the coil, the components and you'll find the kind of quality you can count on for residential and light commercial applications.

- State-of-the-art blower and motor provide quiet, dependable operation
- Constructed of powder-painted galvanized steel to protect against corrosion and fading
- Environmentally friendly R-410A refrigerant
- Closed cell foam insulation resists dirt and bacterial growth
- Compact footprint—easy to transport and fit in tight spaces
- Easy to install—only utility and dedicated horizontal duct connections needed

Stay comfortable for years to come.

York is proud to offer the YorkCare™ Comfort Plan. It's designed to maintain your system as well as your peace of mind. With YorkCare™ you get total protection that ensures your unit is effective and efficient for years to come.

What's more, your York® Dealer offers maintenance agreements that provide upkeep while maximizing the warranty provisions. Ask about the YorkCare™ Comfort Plan. A little extra coverage is always a comforting idea.

Long story short — our history.

Heat or cool your facility with York, and you'll be joining some pretty impressive company, including the U.S. Capitol building, India's Taj Mahal, the Sydney Opera House, the entire U.S. Navy nuclear submarine fleet, and even venues such as your local mall and corner bank. We developed the first successful room air conditioner and cooled the world's first theater, hotel and office building. We're constantly leading the industry in quality. No matter what the scale, chances are we've developed an efficient, durable and effective solution for it.

You can depend on York to give you the choices you trust for comfortable performance all day long, year after year. Want to know more? Contact your York® Dealer. They have 130 years of innovation to tell you about.
