## Fleet Degreaser

Fleet Degreaser is a highly concentrated degreaser designed for petroleum-based soils such as heavy deposits of oil, grease and dirt, as well as axle or fifth-wheel grease, hydraulic oils and diesel smoke stains. Fleet Degreaser is formulated to pass through a pressure washer without damaging the high-pressure pump and is, therefore, safe to use through a pressure washer. It is also safe to use on aluminum, stainless steel, glass, plastic and painted surfaces. Fleet Degreaser is phosphate-free and outperforms competitive phosphate formula products.
