

Model 300

Put your big-tractor horsepower to work with the model 300 and 500 Implement Caddy. The 3-point quick hitch makes one-person hookup a simple task and they will attach to the Zone-Builder®, Ripper-Stripper®, Ripper Roller and Ripper Bedder subsoilers as well as virtually all 3-point implements.

- Pull-through design with all welded 4"x 8" tubular-steel frame for maximum strength
- Tractor-style Category III rear quick-hitch with auto-latch attachment (Opt. on model 300)
- Adjustable top quick-link for easily leveling the implement (Opt. on model 300)
- 6"x 6" tubular-steel axle mounting arms for enhanced durability
- Dual wheels for greater flotation and transport stability
- More than 34 inches of vertical-lift for transport clearance
- Adjustable tongue height with combination clevis or single-tang hitch for easily matching your tractor
- 3,000 p.s.i. hydraulic cylinders for quickly raising and lowering unit
- Choice of powder-coat, tractor red or green finish for optimum corrosion resistance

Clevis Hitch and Transport Chain

Dual Wheels for Greater Flotation
