

2,050 PSI - 1.4 GPM ELECTRIC PRESSURE WASHER WITH POWEREASE MOTOR AND AR AXIAL PUMP

MODEL: P2014EN

WORKSHOP

SERIES

FEATURES

- **Versatile electric pressure** with an innovative design so it can be on a mobile cart, wall mount, or hand carried depending on what best suits the situation.
- **Electric motor** is rated at 1.6 HP and has a total start system that automatically shuts off the pressure washer when the trigger is released to prolong the life of the pump.
- **Equipped with a GFCI plug** that greatly reduces the risk of electric shock.
- **Maintenance free axial pump** with an on-board soap system delivers excellent performance.
- **Accessories** include a spray gun with a quick connect fittings, 20' high-pressure hose, and four spray nozzles.
- **The body** is enclosed in a plastic shell that protects the internals, helps dampen the sound and includes integrated storage slots for all the accessories.
- **Unique frame** switches from a wheel cart, to hand carried, and can be mounted to a wall with an optional hanger kit.

3 IN 1 PORTABLE PRESSURE WASHER

Hand carry configuration.

Optional Wallmount Kit.
