## Give the Gift of Electric Adventure with Apollo's Sedna 16 Plus!

Introduce your kids to electric riding with the Sedna 16 Plus, the next level up from the Sedna 12, perfect for children aged 5 and up. Featuring a 250W electric motor, it reaches a top speed of 18 km/h and offers a battery life of 1 hour 15 minutes. Its 16-inch nylon wheels and aluminum alloy frame ensure a stable and lightweight ride. With an adjustable seat height from 435 to 485 mm and a weight of only 10.8 kg, this e-bike is ideal for safe adventures. Available in blue, green, orange, and red.
